Policy No. 2220P

School Calendar

Annually, not later than March 1, the superintendent will convene a committee to present to BEA leadership, and subsequently the Board, at least two options for future school calendar year consideration. These options will be presented in priority order or recommendation.

BEA action will be taken on the recommendations by April 1, with Board action by May 1.

The approved calendar will be announced to the public by May 15 via the District website.
