

POLICY NO. 3207P
PROHIBITION OF HARASSMENT, INTIMIDATION AND BULLYING

A. Introduction

Blaine School District strives to provide students with optimal conditions for learning by maintaining a school environment where everyone is treated with respect and no one is physically or emotionally harmed.

In order to ensure respect and prevent harm, it is a violation of district policy for a student to be harassed, intimidated, or bullied by others in the school community, at school sponsored events, or when such actions create a substantial disruption to the educational process. The school community includes all students, school employees, school board members, contractors, unpaid volunteers, families, patrons, and other visitors. Student(s) will not be harassed because of their race, color, religion, ancestry, national origin, gender, sexual orientation, including gender expression or identity, mental or physical disability, or other distinguishing characteristics.

Any school staff who observes, overhears, or otherwise witnesses harassment, intimidation or bullying or to whom such actions have been reported must take prompt and appropriate action to stop the harassment and to prevent its reoccurrence.

B. Definitions

Aggressor is a student, staff member, or other member of the school community who engages in the harassment, intimidation or bullying of a student.

Harassment, intimidation or bullying is an intentional electronic, written, verbal, or physical act that:

- Physically harms a student or damages the student's property.
- Has the effect of substantially interfering with a student's education.
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment.
- Has the effect of substantially disrupting the orderly operation of the school.

Conduct that is "substantially interfering with a student's education" will be determined by considering a targeted student's grades, attendance, demeanor, interaction with peers, participation in activities, and other indicators.

Conduct that may rise to the level of harassment, intimidation and bullying may take many forms, including, but not limited to: slurs, rumors, jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, ostracism, physical attacks or threats, gestures, or acts relating to an individual or group whether electronic, written, oral, or physically transmitted messages or images. There is no requirement that the targeted student actually possess the characteristic that is the basis for the harassment, intimidation or bullying.

Incident Reporting Forms may be used by students, families, or staff to report incidents of harassment, intimidation or bullying. A sample form is provided on the Office of Superintendent of Public Instruction's (OSPI) School Safety Center website: www.k12.wa.us/SafetyCenter/BullyingHarassment/default.aspx.

Retaliation is when an aggressor harasses, intimidates, or bullies a student who has reported incidents of bullying.

Staff includes, but is not limited to, educators, administrators, counselors, school nurses, cafeteria workers, custodians, bus drivers, athletic coaches, advisors to extracurricular activities, classified staff, substitute and temporary teachers, volunteers, or paraprofessionals (both employees and contractors).

Targeted Student is a student against whom harassment, intimidation or bullying has allegedly been perpetrated.

C. Relationship to Other Laws

This procedure applies only to RCW 28A.300.285 – Harassment, Intimidation and Bullying prevention. There are other laws and procedures to address related issues such as sexual harassment or discrimination.

At least four Washington laws may apply to harassment or discrimination:

- RCW 28A.300.285 – Harassment, Intimidation and Bullying
- RCW 28A.640.020 – Sexual Harassment
- RCW 28A.642 – Prohibition of Discrimination in Public Schools
- RCW 49.60.010 – The Law Against Discrimination

The district will ensure its compliance with all state laws regarding harassment, intimidation or bullying. Nothing in this procedure prevents a student, parent/guardian, school or district from taking action to remediate harassment or discrimination based on a person's gender or membership in a legally protected class under local, state, or federal law.

D. Prevention

1. Dissemination

In each school and on the district's website the district will prominently post information on reporting harassment, intimidation and bullying; the name and contact information for making a report to a school administrator; and the name and contact information for the district compliance officer. The district's policy and procedure will be available in each school in a language that families can understand.

Annually, the superintendent will ensure that a statement summarizing the policy and procedure is provided in student, staff, volunteer, and parent handbooks, is available in school and district offices and/or hallways, or is posted on the district's website.

Additional distribution of the policy and procedure is subject to the requirements of Washington Administrative Code 392-400-226.

2. Education

Annually students will receive age-appropriate information on the recognition and prevention of harassment, intimidation or bullying at student orientation sessions and on other appropriate occasions. The information will include a copy of the Incident Reporting Form or a link to a web-based form.

3. Training

Staff will receive annual training on the school district's policy and procedure, including staff roles and responsibilities, how to monitor common areas and the use of the district's Incident Reporting Form.

E. Compliance Officer

The District Compliance Officer will:

1. Provide support and assistance to the principal or designee in resolving complaints as needed.
2. Ensure implementation of the policy and procedure by overseeing the investigative processes, including ensuring that investigations are prompt, impartial and thorough.

F. Filing an Incident Reporting Form

Any student who believes he or she has been the target of unresolved, severe, or persistent harassment, intimidation or bullying, or any other person in the school community who observes or receives notice that a student has or may have been the target of unresolved, severe, or persistent harassment, intimidation or bullying may report incidents verbally or in writing to any staff member.
